2. Projects that are not eligible include;
  - Commercial Venture
  - Capital fund or debt reduction
  - Completed projects and events already paid
3. Funding levels per person are set by the sports committee and vary depending on the funding allocated by Te Rūnanga o Toa Rangatira Inc each year and the number of applicants each year.
4. All relevant items on the checklist at the beginning of the application must be completed before the application is submitted.
5. Individuals can anticipate national selection and funds are held over until selections are confirmed. We recognise that the timing of representation does not always fit with our funding criteria.

## Application Process:

Completed applications must be received at least one month before the event starts.

Due to the high volume of applications for the NZ Maori National Basketball Tournament and Waka Ama National Sprint Championship, the deadlines for completed sports grant applications are different.
